

## **BARNSELY DISTRICT SCOUTS**

**Dear All,**

**I am delighted to be writing to you to confirm my new appointment as the new District Commissioner-Programme for Barnsley District Scouts from 1st April 2017.**

**I am moving to Barnsley District Scouts from a neighbouring district in West Yorkshire - Huddersfield South East; where I have been a Group Scout Leader at Skelmanthorpe Scout Group and previously a Scout and Assistant Scout Leader. As part of HSE District team, I have been involved in supporting other groups and District Projects.**

**There will be a short moving over period but I am enthusiastic to get started straight away and commence the role. Tina and I will work closely together and sharing the role of District Commissioner, Tina will carry out the role of DC-Management with me as DC- Programme. We will shortly be confirming who will be responsible for what within the District.**

**Over the next coming months, I intend to visit as many sections as possible to get to know people quickly, to find out as much as I can about the District and its Programme. Therefore, I would be grateful if you could forward me a copy of your Programme and include any details of any forthcoming nights away, group trips etc.**

**I am keen to look at ways we can look to improve the Programme provision for the Young People in the District and I am sure you will agree that it's vital to ensure we have the best possible programme for the young people in our District. I would welcome any suggestions and will always listen to any suggestions or concerns etc.**

**I welcome your views or suggestions, below are my contact details for the programmes to be sent to.**

**I look forward to meeting you shortly.**

**Yours in Scouting**

**Mark D. J. Elliott  
District Commissioner- Programme
