# **"PENNIES FOR SWITZERLAND"**

## **Help us on our way to SWITZERLAND**

If we made a line of pennies from Penistone to Adleboden Switzerland, we would need 73,800,000 pennies! However I don't think we can carry that many to the bank and whilst £738,000 would be nice our target needs to be achievable. Therefore please help us by sparing your pennies and coppers and fill our money tubes in the Scout hut foyer?
