

Group Maintenance Weekend

5th and 6th January 2019

Dear Parents/Guardians,

During the first weekend of January 2019, we are hosting two days of maintenance at the Scout Hut. This is not something we ask the young people to be involved with; what we need is lots of adult support, and for that, we need your help, please.

Where & When

We'll start at 9am on Saturday 5th January 2019. We'll have a skip booked lot of tasks to get straight into. We'll be hosting a BBQ and some drinks early evening. We're sure you'll have had your fill of turkey curry by this point!

On Sunday 6th, again from 9am, we'll pick up where we left off and clear down as many tasks as possible. We will need to make sure the hut is spick and span by the time we leave ready for sections to use on the Monday.

What will we achieve

Prior to the event, we will post to our web site a job board that will included things which necessitate specific skillsets. e.g. electrical, carpentry and other skilled labour.

During the event, we will have a lot of deep clean style activities. These will be as simple as clearing out a cupboard, washing the space and any items within it, before putting things back.

Our stores need to be emptied, kit tidied and validation around what needs repairing or replacing. We've a new Quartermaster starting and this will be a fantastic opportunity for them to rejuvenate our asset register.

What do I need to do now?

Please, by all means, let me know if you've skills you can offer us for that weekend. We will be sending out another more detailed message during December with a method to sign up for the weekend.

Contact

If you have any questions, please do not hesitate to contact me.
